Berger Singerman's Dispute Resolution Team has earned its reputation for successfully and efficiently handling a wide variety of complex commercial litigation matters from pre-suit investigation and counseling through every stage of litigation, to include trial and appeal. Members of the Team have tried hundreds of significant jury and non-jury trials to verdict and judgment. In both 2018 and 2019, the Dispute Resolution Team was honored to win Litigation Department of the Year (mid-size firm category) by the *Daily Business Review*, an ALM Media publication. The award recognizes law firms that help clients achieve the satisfactory resolution of legal disputes in the private and public sectors.

Our attorneys also regularly practice in alternative dispute resolution forums, including mediation and arbitration. Team members have handled disputes exceeding a billion dollars in controversy.
