

CURRENT OPPORTUNITIES

We are always interested in adding talented attorneys and talented groups of attorneys who thrive while working in a close-knit, collaborative, and dynamic team environment, who are willing to work hard while having fun, and who consistently strive to deliver passionate client service and work product of the highest quality. Our firm has a stellar track record of attracting and retaining culturally compatible team members and helping them to grow professionally and is committed to legal innovation and continuous improvement to facilitate professional development, entrepreneurship, and competitiveness.

Corporate attorney

Berger Singerman is seeking to expand its Corporate and M&A Practice Group with the addition of a highly qualified and accomplished first chair attorney with extensive experience in corporate law, private placements, and mergers and acquisitions. This role involves leading sophisticated transactions in collaboration with seasoned colleagues dedicated to delivering innovative solutions for clients across the U.S. and globally. The ideal candidate will have a sound judgment, strong organizational capabilities, and excellent time management skills. Preference will be given to candidates with a book of business.

Securities attorney

We are seeking to expand our Corporate, Securities and M&A Practice Group with the addition of a highly qualified and motivated attorney with at least 8 years' working experience in private securities offerings, fund work, and joint ventures, including in connection with so called "506b" offerings. We seek a candidate who has strong academic credentials and prior work experience, and who has served as lead counsel on private placement offerings, private funds, and sophisticated joint ventures. Applicants must demonstrate a record of good judgment, as well as strong organizational and time management skills.

Environmental law attorney

We are looking for a highly qualified and motivated partner level attorney with at least 6 years' working experience in the areas of environmental transactional, regulatory compliance, and permitting matters, including transactional support and due diligence, environmental assessment and liability matters, wetlands and coastal permitting, complex land use projects, air quality matters, hazardous materials contamination, and other compliance and enforcement cases.

Land use attorney

We are seeking a highly qualified and motivated attorney for Miami, Broward and/or Palm Beach Counties with at least five years' working experience in land use, zoning and development permitting.

Orlando attorney

We are seeking a talented, motivated, and hard-working mid-level litigation associate for our Orlando office. Applicants must have excellent academic credentials and meaningful prior experience in complex commercial litigation or a comparable practice. A strong commitment to client service and the ability to work both independently and as part of a collaborative team are essential.

Orlando and Tampa attorneys

We are seeking highly qualified and motivated partner level attorneys for our core practice areas including Bankruptcy, Commercial Litigation, Corporate M&A, Real Estate, Estate Planning and Wealth Preservation, Probate, Construction, Healthcare, and Land Use/Zoning.

Healthcare attorney

We are looking for a highly qualified and motivated partner level attorney with experience in healthcare/life sciences issues. Experience working with Medicare, CMS, government enforcement agencies or with payers or managed care is also a plus. Core requirements include strong health care regulatory and transactional experience, compliance with health-related state and federal laws and regulations, private and public third-party reimbursement, corporate practice of medicine, health care operational issues, integrated delivery systems, and purchases/sales and mergers of health care businesses as well as joint ventures. Past work should encompass a wide range of healthcare entities, such as physician group practices, large group providers, health care systems, skilled nursing and long-term care facilities, clinical laboratories, home health agencies, medical device manufacturers, durable medical equipment suppliers, practice management companies, management service organizations (MSOs) and substance abuse treatment centers.

Trusts and Estates/Wealth Planning attorney

We are seeking a highly qualified and motivated partner level attorney with at least six years' experience in the areas of complex domestic and international estate planning and related income, partnership and tax planning, corporate, and personal planning for high net-worth individuals and multinational families. Tax or Estate Planning LL.M. preferred.

Labor and Employment Law attorney

We are seeking a highly qualified and motivated partner level attorney with experience handling complex Labor and Employment matters. The ideal candidate will have expertise in both advisory and litigation aspects of labor and employment law, with a focus on providing strategic counsel to clients across a variety of industries.

Bankruptcy attorney

We are seeking to expand our Business Reorganization Team with the addition of a first chair level partner with portable business. Significant experience in Chapter 11 cases representing debtors, committees and fiduciaries required, and bankruptcy litigation experience is preferred. A team attitude and a collaborative approach to dealing with colleagues at our firm and with our counterparties is essential. We are looking for enthusiastic candidates who thrive while working in a closely knit collaborative team environment, work well under pressure and are willing to work hard while having fun and who consistently strive to deliver exceptional client service and work product of the highest quality. Member of The Florida Bar or a commitment to be admitted is required.
