Paul Steven Singerman and firm's Dispute Resolution Team recognized in the 2019 Professional Excellence Awards

Berger Singerman, Florida's business law firm, is pleased to announce that the firm's Co-Chair, Paul Steven Singerman, has been recognized as a Distinguished Leader by the Daily Business Review's Professional Excellence Awards. The firm's Dispute Resolution Team has also been named a Midsize Litigation Department of the Year in the Real Estate/Other-Midsize category. Both honors will be presented to the firm at the awards luncheon on May 23, 2019 at the Rusty Pelican in Miami.

The *Daily Business Review's* 2019 Professional Excellence Awards recognize the remarkable professional and philanthropic achievements made by South Florida's most notable firms and attorneys throughout the year.

The Distinguished Leader honorees are South Florida lawyers who have demonstrated outstanding results in their field. Singerman leads Berger Singerman's Business Reorganization Team, which is one of the largest in the Southeastern United States. He is highly sought-after for his expertise in restructuring, insolvency and bankruptcy matters as well as in large litigation matters and is best known for his representation of debtors and fiduciaries in some of the most noteworthy bankruptcy cases in Florida.

This recognition stems not only from Singerman's work representing clients of the firm, but also from his contributions to the leadership of the firm and the firm's culture.

In addition to the Distinguished Leader award, Singerman was recently recognized by *M&A Advisor* with its Lifetime Achievement Award for his monumental contribution to the bankruptcy and restructuring industry. He is consistently ranked nationally and globally in *Chambers & Partners* and has been recognized as a "Star Individual"- Chambers' highest ranking - for the past eight consecutive years. Singerman has also been named the number one attorney in Florida for four consecutive years by *Florida Super Lawyers*.

The Litigation Department of the Year honor is awarded to firms that exemplify outstanding work in the industry. All firms were judged based on results obtained through pretrial, trial or appeal in 2018, within those in the midsize category employing between 70 to 200 attorneys.

Nationally recognized, Berger Singerman's Dispute Resolution Team has a deep bench of prominent attorneys known for taking on complex, high-profile matters. In addition to the *Daily Business Review's* recognition for the Real Estate/Other-Midsize category, recent honors the team has earned include high rankings from *U.S. News & World Report* for its work in the commercial litigation, bankruptcy litigation and real estate litigation practice areas as well as *Best Lawyers in America's* Best Law Firm in Litigation.
