BERGER SINGERMAN
FLORIDA'S BUSINESS LAW FIRM

CELEBRATING 35 YEARS

A longstanding core value of Berger Singerman is to give back to the communities in which we work and live. We do so every year, and especially in years we celebrate milestone anniversaries. This year we will be donating to local charities that are working hard to make our society a better place and to assist the less fortunate. Volunteerism and philanthropy have always been cornerstones of Berger Singerman, and the pandemic is an important reminder that we can truly make an impact in our communities that need our support now more than ever.

We'd love for you to celebrate our 35th anniversary virtually with us through this brief video:
