COMMUNICATIONS DAILY BY WARREN COMMUNICATIONS NEWS QUOTES FLOYD SELF IN, "FLA. POLE ATTACHMENTS"

March 8, 2023

Communications Daily by Warren Communications New

Charter Communications supported the bill. Reaching pole attachment agreements with co-ops has been “problematic because they have no incentive to negotiate,” especially with co-ops that want to get into the broadband business, said Berger Singerman’s Floyd Self, representing Charter. Marva Johnson, Charter Communications group vice president, said finding agreement with co-ops is like negotiating with her mother. “At the end of the day, I have no authority."
