HOSPITALITY TECHNOLOGY QUOTES GEOFFREY LOTTENBERG IN, "WFH NOW: WHAT LEADERS NEED TO KNOW"

April 15, 2020

Hospitality Technology

View Full Article

COVID-19 is causing many industries – hospitality included – to quickly adapt to new ways of conducting business, which of course includes a large work-from-home employee base.

How might this experience change the way IT departments across industries, but specifically in hospitality, handle work-from-home protocols in the future?
