LAWDRAGON 500 RECOGNIZES FLOYD SELF AS A 2024 LEADING ENERGY LAWYER

March 1, 2024

Berger Singerman, Florida's business law firm, is proud to announce that Floyd R. Self has been selected as a member of the 2024 Lawdragon 500 Leading Energy Lawyers guide. Floyd is one of only two Florida-based energy law lawyers and the only Florida-based energy regulatory attorney.

The Lawdragon 500 Leading Energy Lawyers guide honors the nation's outstanding attorneys who have demonstrated excellence and leadership in the field of energy law, including "nuclear energy, pipeline regulation, renewables and mining."

Floyd's energy, telecommunications, water, and land use practice includes regulatory representation, financing and acquisition due diligence, oversight and compliance, and procurement and purchasing disputes. He serves as the incoming president of Energy Bar Association (EBA) and past president of the Energy Bar Association Southern Chapter.

Berger Singerman represents clients in the full range of energy, telecommunications, and water law regulation and utility issues. Our energy practice includes electric, natural gas, pipeline, ethanol and biofuels, and renewable energy matters and any related overlap with environmental, real property, and land use law. We leverage our practice experience with our environmental industry relationships to provide a comprehensive approach to a client's energy needs.
