Developing an Alternatives Platform in Miami

Year after year, more professionals from the financial industry are flocking to Florida not only to escape the cold weather but also the state income taxes. While many are deeming Miami as “Wall Street South”, we have yet to see a substantial growth in its alternatives sector. This panel, featuring prominent local leaders will examine how Miami can keep pace with the growth of leading metros of San Francisco, New York and Boston in the alternatives space.

Moderator:
Marc Stephen Shuster, Partner, Berger Singerman

Panelists:
Daniel Kodsi, Chief Executive Officer, Royal Palm Companies
Alexandre Arruda Camargo Silva, Chief Investment Officer, Finaccess Advisors
Ray Cleeman, Principal, Pensam Capital
