May 18, 2021

2008 Again? Dejavu? No! Separating Fact from Fiction in the COVID-19 Real Estate Economy

- Comparison of 2008 v now: while 2008 produced a uniform dislocation in the real estate economy, COVID-19 has laid bare winners and loser
- Why are the green chutes of today?
- Why do these green chutes exist? What has suffered? Why have they suffered?
