Michel Debolt is a Partner and member of the firm's Business, Finance & Tax Team, resident in Fort Lauderdale. He focuses his practice on helping investors and companies in the US, Europe and Asia by successfully negotiating, structuring and closing transactions involving industries from financial services, to telecommunications, manufacturing, chemicals, hospitality, retail, food & beverage and logistics. For more than 20 years, Michel has spearheaded and shaped financial, legal and operational elements of organizations. He is a Certified Public Accountant in Illinois and has experience in the US and Russia, enabling a nuanced understanding of accounting and tax matters.

As an attorney helping investors and companies in the US, Europe and Asia, he learned the value of balancing a commercial-minded approach with a keen focus on detail to successfully negotiate, diligence, structure and close dozens of transactions involving industries from financial services, to telecommunications, manufacturing, chemicals, hospitality, retail, food & beverage and logistics.
