- Represented BBX Capital [a public company trading on the NYSE] in the three stage acquisition of the Altman Companies, a real estate development platform primarily operating in South Florida, which includes a construction company which has historically acted as the general contractor for the platform, and separate development company and management companies. The first stage of the purchase required the creation of a joint venture between BBX [the Buyer] and the owner of the Altman Companies [the platform] which was followed by the purchase by BBX [the Buyer] of a 50% interest in the Altman Companies [the platform companies] for \$22.7 million, and then a contribution of all of the interests of each of BBX [the Buyer] and the owner of the platform companies to the joint venture. Subject to certain conditions the Buyer] BBX will purchase an additional 40% of the Altman Companies [the platform companies] through the joint venture on the 4th anniversary of the original acquisition, for an additional \$9.4 million.
- Representation of a public post- secondary education provider in a series of over 35 acquisitions which added over 100 schools to its system.
- Representation of a privately held healthcare supplier in its sale for over \$350 million to a public holding company, and the representation of hi-tech providers in connection with private placement capital raises.
